AYUSH MISHRA

Computer Science Graduate | Software Developer
Mumbai, Maharashtra | +91 98765 43210 | ayush.mishra.dev@example.com
linkedin.com/in/ayush-mishra | github.com/ayushmishra

PROFILE

Motivated Computer Science graduate with a strong foundation in programming, web development, databases, and problem solving. Interested in building practical software solutions and learning modern technologies. Looking for an entry-level software development opportunity where I can contribute to real-world projects while continuously improving my technical skills.

EDUCATION

B.Sc. Computer Science — **2023 – 2026**
Mumbai University, Mumbai — CGPA: 8.4/10

Higher Secondary Certificate (HSC) — **2023**
Maharashtra State Board — Percentage: 82%

TECHNICAL SKILLS

- **Languages:** Python, Java, C++, JavaScript, SQL
- **Web:** HTML, CSS, JavaScript, Flask, REST APIs
- **Database:** MySQL, SQLite
- **Tools:** Git, GitHub, VS Code, Postman
- **Core:** Data Structures, OOP, DBMS, Computer Networks, Operating Systems

PROJECTS

CareerPilot – AI Placement Preparation Platform

Developed a web-based platform that helps students prepare for placements through resume analysis, interview practice, job-description matching, and personalized preparation roadmaps. Built using Python Flask, HTML/CSS/JavaScript, MySQL, and an AI API.

Smart Expense Tracker

Created a responsive expense-management application to record transactions, categorize spending, and generate monthly summaries. Implemented database storage and basic data visualization.

College Event Management System

Built a web application for managing college events, student registrations, schedules, and participant records using a relational database.

INTERNSHIP

Software Development Intern — TechNova Solutions | May 2025 – Jul 2025

- Assisted in developing and testing Python-based web application features.
- Worked with SQL queries and database operations for internal tools.
- Used Git and GitHub for version control and collaborative development.

CERTIFICATIONS

- Python Programming – Online Certification
- Web Development Fundamentals – Online Certification
- Introduction to SQL and Database Management – Online Certification

ACHIEVEMENTS & ACTIVITIES

- Participated in college-level coding competitions and technical events.
- Completed multiple academic and personal software projects.
- Active learner interested in AI, cybersecurity, and modern web technologies.
